A love letter to his early career as a TV writer on Sid Ceasar's *Your Show of Shows* alongside the likes of comedy legends Carl Reiner and Mel Brooks, Neil Simon's *Laughter on the 23rd Floor* follows the rollercoaster antics of a not-your-average 1950's writers' room, as they frantically attempt to please their larger-than-life boss. Frantically scrambling to top each other with hilarious gags while battling with studio executives who fear the show's humor is too sophisticated for Middle America, the writing and fighting of the team expose the social and political undercurrents of the 1950's. Runs August 18 - 27, 2023

Monkswell Manor welcomes a group of strangers in the midst of a snowstorm and on the heels of a murder in town. It soon becomes clear that the killer is among them, and the strangers grow increasingly suspicious of one another. A police detective, arriving on skis, interrogates the suspects: the newlyweds running the house; a spinster with a curious background; an architect who seems better equipped to be a chef; a retired Army major; a strange little man who claims his car has overturned in a drift; and a jurist who makes life miserable for everyone. When a second murder takes place, tensions and fears escalate. Will the identity of the murderer be revealed before they strike again?! *The Mousetrap's* riveting plot will have you on the edge of your seat from start to finish! Runs September 8-17, 2023 and KOPN will have tickets to give away for opening night!
