SPECIAL PLEDGE DRIVE EDITION!

## Look at us grow!

It is Pledge Drive week (Sept. 6-12) at KOPN and we need your support as much as ever! Whether you support this legendary community radio station with a monthly donation, volunteering, or perhaps you haven't made a contribution in a while -- we could sure use you over the next few days.

Can you believe that the station you have volunteered with, perhaps hosted a program on and supported for years is about to make it to

its Golden Anniversary of FIFTY YEARS? As we enter the next half-century, KOPN -- with a new building, upgraded equipment and a revitalized energy -- are laser-focused on continuing the tradition and mission that was established in our early years. Not only celebrating where we've been, but activating the next like-minded and energetic generation to keep KOPN relevant well beyond our years here. Nowhere else can you find a media platform that carries perspectives and music from the most under-represented or even silenced voices of our community. Nobody else will do it, so it is up to us. It is up to YOU.

Mid-Missouri needs KOPN, and KOPN needs you. Even if you remove one or two Starbucks orders and send \$10-20 to KOPN each month instead. Or if your business had a good year and you are deciding on where to send a sizable donation, that money goes right back to directly serving the community with information, education and opportunity.

You can call in with your donation. You can drop it off at the station in person and see the new building. You can go to KOPN.org and donate online from your phone. We are KOPN. All of us. We are the community's "open mic." Loud and getting louder, proud and getting prouder.

Get loud and proud with us again.
